PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT

ATTN: BOX PETITIONS OFFICE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

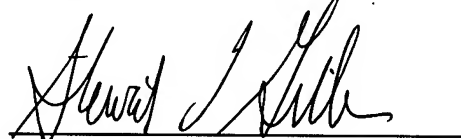

Applicant, on October 29, 2007, learned that the above-identified application was deemed abandoned for failure to respond to an Office Action in April 2006. The undersigned, attorney of record, filed documents in this application on June 20, 2005, and did not receive any subsequent correspondence or notice from the U.S. Patent and Trademark Office. Attorney for applicant encloses a print-out of the transaction history, as well a printout of what the Patent Office believes to be the correspondence address. As you can see from the transaction history, there was a final rejection mailed on August 16, 2005. This rejection was not received by the undersigned, or the undersigned's office. It appears that for some reason the materials were mailed to a firm in Reston, VA, with no affiliation to the applicant or the undersigned attorneys.

Applicant respectfully requests that the application be reinstated and that the correspondence address be corrected to the proper undersigned attorneys.

If any fees are due or owing for this Petition, please charge Deposit Account 08-2455 such fees. Applicant believes that no fees are due or owing since the error was solely on the part of the U.S. Patent and Trademark Office. Abandonment of the application was both unavoidable and/or unintentional in that the applicant had no indication that an Action, or a final rejection, had been sent out by the Patent Office since such documentation was sent to an errant address.

It is only through due diligence of our docketing system that we learned that the application was held abandoned by the U.S. Patent and Trademark Office. Please feel free to contact the undersigned with questions.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Stewart L. Gitler", is written over a horizontal line.
